MC2910 2.1 VOC EUROPLUS®
Multi-Panel Clearcoat

Ideal for multiple panels and overall repairs, MC2910 is an easy-to-use compliant clear that delivers an exceptional gloss finish at an economical price. Users will appreciate its simple 2:1 mix ratio and ease of use.

As part of the OMNI® LV line of refinish products, MC2910 can be used with your choice of two hardeners—MH2918 and MH2919 High Temp. These allow MC2910 to easily adjust to job size and working conditions while delivering impressive performmance and eye-catching appearance.

Product Features:

- **Ideal for large repairs, or where a high gloss finish is desired**
- **Simple mix ratio**
- **Outstanding gloss and appearance**
- **Choice of two hardeners**

For more information regarding products, refer to the *OMNI* compliant brochure available through your PPG Distributor or Territory Manager.
