

Shop-Line® Plus JBP Acrylic Urethane Basecoat

The basecoat system for prime color match and durability.

JBP Acrylic Urethane Basecoat is the top-of-the-line SHOP-LINE® system offering prime match color capability for newer vehicles including passenger cars, trucks and SUVs. Featuring a compact lineup of toners, metallics, and pearls, this intermix system meets the demands of newer vehicle finishes including tri-coats and colors containing unique pigments.

- Excellent color match and durability
- Formulated to match OEM colors in as few coats as possible
- Fast dry times
- Compact system for simplicity and ease of use
- Tri-coats available
- Chromatically arranged color deck with over 2,100 sprayed chips, including tri-coats
