## JC7100 2.1 VOC European Multi-Panel Clearcoat

### PRODUCT FEATURES

- Impressive gloss and appearance
- Ideal for medium and large repairs
- Simple mix ratio
- Two hardeners available

JC7100 is a 2.1 VOC high-gloss clearcoat developed for multiple panels and overall repairs.

A 2:1 mix ratio provides ease of use, and with a choice of two hardeners, it can easily adjust to job size and/or working conditions. Designed to provide exceptional performance at an economical price, JC7100 delivers quality and value for the cost-conscious repair center.
