

## JC6700 HS European Clearcoat

### PRODUCT FEATURES

- Superior gloss
- Excellent flow and appearance
- Easy to spray
- Simple 2:1 mix ratio
- Two choices of hardeners for a wide range of repairs

Incorporating European resin technology, JC6700 is a high solids clearcoat offering a premium, high-gloss appearance with impressive flow and leveling properties. Best suited for overall paint jobs and multi-panel repairs, it's the state-of-the-art choice when a top-of-the-line finish is desired.
