

# PREP PASTE

1.972.2400

## PREP PASTE

**PREP PASTE** is a water based abrasive paste for preparing surfaces for Fade Out repairs. It does not contain silicone or wax.

## USE

**Prep Paste** is applied by hand with a Scotch-brite Ultrafine Grey pad and water. Use the pad and paste to flat and key the area to be painted. Wash off all residues with clean water and thoroughly dry with a clean cloth.

**Note:** Failure to remove all residues may affect the adhesion of subsequent coats of paint.

Thoroughly clean the prepared surfaces with a suitable precleaner and Tak off before painting.

## TECHNICAL DATA

Pack size                      1 Kg  
Storage                      Store in a cool dry place away from heat

## VOC INFORMATION

This product falls outside of the scope of EU Directive 2004/42 and therefore does not have a VOC product category classification.  
This product can be used by professional motor vehicle repairers.

## SAFETY AND HANDLING

**These products are for professional use only** and are not to be used for purposes other than those specified.
