

Product Information

DELFLLEET F3140

PRODUCT

Delfleet Basecoat Binder	F3140
Delfleet Medium Thinner	F372
Delfleet Fast Thinner	F373

PRODUCT DESCRIPTION

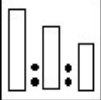

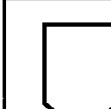

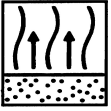

Delfleet F3140 is a fast drying basecoat that enables the application of complicated multi-coloured liveries within a short space of time.

When used in conjunction with a Delfleet clearcoat, it offers a very competitive system especially designed for the Commercial Vehicle Market.

SUBSTRATE PRE-TREATMENT

	<p>Prepare the substrate as follows:</p> <p>Product can be used over the following -:</p> <ul style="list-style-type: none"> Delfleet Wash Primers Delfleet Epoxy Primers Delfleet 2K Primers <p>Please check relevant data sheets for primer preparation</p>	<p>CLEANING</p> <p>The substrate to be painted must be dry, clean, free of corrosion, grease & mould release agents.</p> <p>Substrates need to be thoroughly prepared using a combination of D845 Degreaser & D837 Spirit Wipe (or D8401 WB low VOC cleaner)</p>
	<p>Sound aged paint surfaces –: P360 dry flat</p> <p>Sound fresh paint surfaces –: Fine / Ultrafine Scotch-Brite</p> <p>Do not use F3112 over -:</p> <ul style="list-style-type: none"> Acrylic Thermoplastic Finishes Synthetic Finishes Nitro-cellulose Finishes

<p style="text-align: center;">Theoretical coverage assuming 100% transfer efficiency at film builds indicated.</p>							

PERFORMANCE AND LIMITATIONS

Do not exceed maximum film build recommendations.

Most basecoats will have high opacity but the coverage of some may be assisted by the use of an appropriately tinted Delfleet primer.

It is recommended that the basecoat is lacquered with either Delfleet F3460 or Delfleet F390

If left overnight, surface must be tacked-off prior to clearcoating.

EQUIPMENT CLEANING

After use clean all equipment thoroughly with cleaning solvent or thinner.

HEALTH AND SAFETY

These products are for professional use only, and are not to be used for purposes other than those specified. The information on this TDS is based on present scientific and technical knowledge, and it is the responsibility of the user to take all necessary steps in order to ensure the suitability of the product for the intended purpose.
