

PREMIUM DECK CLEANER

52125

Architectural Coatings

Olympic Premium Deck Cleaner

GENERAL DESCRIPTION

Olympic Premium Deck Cleaner is a unique, premium quality product for restoring the clean, refreshed look to exterior wood and other surfaces. It cleans stains caused by mildew, dirt, algae and mold without scrubbing. Unlike bleach alone, Olympic Premium Deck Cleaner works on the surface to lift dirt that can then be rinsed away. This product contains no phosphates, acids, solvents or petroleum distillates. When used as directed, it will not harm most plants, pets or fish. Can be used on decks, wood siding, shakes, shingles, and fences. Also recommended for use on concrete, brick, stucco, tile, and vinyl.

RECOMMENDED SUBSTRATES

Wood

FEATURES / BENEFITS

Removes dirt and mildew stains
Ready to use - no mixing
Fast action - wash off after 30 minutes

LIMITATIONS OF USE

Use of this product may return the original green color to pressure treated wood.

Application of this product may cause a fuzzy appearance to wood previously damaged by pressure washing or excessive weathering.

Application to new wood or newly sealed wood may cause spotting and discoloration.

May cause redwood to darken.

Do not allow to come into contact with metal, fabric, floor coverings, or lawn furniture.

PRODUCT INFORMATION

52125 Deck Cleaner

PRODUCT DATA

PRODUCT TYPE: Water/Sodium Hypochlorite
WEIGHT/GALLON: 8.9 lbs. (4.1 kg) +/- 0.2 lbs. (91 g)
FLASH POINT: Over 200°F (93°C)

COVERAGE: One gallons (37.8 L) will clean approximately 250 to 300 sq. ft. (23.2 to 27.9 sq. meters).

Coverage will vary depending on type, age and texture of wood.

CLEANUP: Rinse spray equipment thoroughly with water.

STORAGE AND DISPOSAL: Store in a cool dry location. Avoid exposure to sun light. Do not reuse conditioner. Rinse container thoroughly before disposal. KEEP IN AN UPRIGHT POSITION.

PACKAGING

1-Gallon (3.78 L)
2.5-Gallon (9.46 L)

Read Label and Material Safety Data Sheet Prior to Use. See other cautions on last page.

Architectural Coatings

Olympic Premium Deck Cleaner

GENERAL SURFACE PREPARATION

Surfaces to be cleaned must be thoroughly dry. *Olympic* Premium Deck Cleaner should be applied at full strength with spray equipment recommended below.

PRETEST: Always test a small hidden area, rinse and let dry before applying this product.

AREA PREPARATION: Spray all plants and vegetation liberally with water before and after application. Cover delicate vegetation to avoid damage. Do not allow product to come into contact with metal, fabric, floor coverings, or lawn furniture.

APPLICATION: Spray the affected area liberally and allow to stand for 5-10 minutes. **NO SCRUBBING NECESSARY.** When treating vertical surfaces, apply from bottom to top. Cleaning action will occur within minutes. Thoroughly rinse treated surface and surrounding areas with large amounts of water to neutralize cleansing action. A second application may be applied if necessary.

FOR PERIODIC CLEANING OF COMPOSITE DECKING: Apply *Olympic* Premium Deck Cleaner liberally and work into surface with a stiff broom (slight foaming should be seen, if not apply more cleaner). Rinse, let dry, apply a second application if needed. Slight yellowing of the deck is normal and will fade in a matter of days.

STORAGE AND DISPOSAL: KEEP IN AN UPRIGHT POSITION. Store in a cool dry location. Avoid exposure to sunlight. Do not reuse container. Rinse container thoroughly before disposal. **PROTECT FROM FREEZING.**

APPLICATION INFORMATION

Application Method: Apply at full strength. When treating vertical surfaces, apply from bottom to top.

Application Equipment: Use a plastic, pump-style garden sprayer and hose.

Thinning: DO NOT MIX WITH ANY OTHER CHEMICALS AS HAZARDOUS FUMES MAY RESULT.

PRECAUTIONS

DANGER! CAUSES EYE AND SKIN BURNS. HARMFUL OR FATAL IF SWALLOWED. CAUSES RESPIRATORY TRACT IRRITATION. The product may not be stable under certain conditions of storage or use: high temperature/pressure hazard. Oxidizer. Contact with combustible material may cause fire. This material increases the risk of fire and may aid combustion. Can enter lungs and cause damage. Keep away from clothing and other combustible materials. Do not breathe vapor or mist. Do not swallow. Do not get in eyes or on skin or clothing. Keep container tightly closed and sealed until ready for use. Wash thoroughly after handling. Provide fresh air ventilation during and after application and drying. Avoid the inhalation of dust, particulates, spray or mist arising from the application of this preparation. Use personal protective equipment as required. Note: These warnings encompass the product series. Prior to use, read and follow product-specific MSDS and label information. **FIRST AID:** If swallowed, rinse mouth with water (only if the person is conscious). Call physician immediately. Do not induce vomiting unless directed to do so by medical personnel. If in eyes, rinse with water for 15 minutes. Check for and remove any contact lenses. Call physician immediately. In case of contact, immediately flush skin with plenty of water while removing contaminated clothing and shoes. Get medical attention immediately. If inhaled, remove to fresh air. If experiencing respiratory symptoms call a POISON CENTER or doctor/physician. Keep out of the reach of children. For workplace use, an MSDS is available from your retailer or by calling (412) 492-5555. **EMERGENCY SPILL INFORMATION:** (412) 434-4515 (U.S.).
